## **A message from Curt Blackburn, owner Jett Blackburn Real Estate regarding COVID-19 real estate activities**

As we all face the challenges of the COVID-19 pandemic, our first priority at Jett Blackburn Real Estate is the health of our customers, team members and the community where we live and work. We are committed to supporting our customers through this challenging time.

Many of our customers are still putting their homes, farms, ranches, commercial and recreational properties on the market, writing contracts, paying rents, and understanding upcoming government mandates. As a company, we will be there for our customers.

To this end, we will be taking the following steps to help provide the best possible service during this unique time:

- Our principle broker team will be available via a phone (541-573-7206) for questions during normal work hours, 8:30am-5pm, Monday through Friday
  - Curt Blackburn 541-589-0025
  - Mardy Stewart 541-589-1583
  - Nancy Gregg 541-589-1362
- Our property management team will be available via phone (541-573-7206) for questions during normal work hours, 8:30am-5pm, Monday through Friday
  - Sarah Pierce 541-573-7206
  - Marti Boatman 541-589-1769
  - Curt Blackburn 541-589-0025
- Customers interested in visiting a property will be asked to meet the broker at the property, and unless vacated, may not be able to enter the property. Customers will be provided photos and/or video of current listings
- In an attempt to “social distance”, any payments and documents can be placed through the front door mail slot and then receipts will be mailed, or scanned copies emailed out to you

In these days, weeks, and months ahead as news continues to come out about COVID-19, we want you to know that as your trusted real estate adviser and property manager we will closely monitor the situation and are available for any of your real estate needs, questions, or concerns.

**Please visit our website at [www.jettblackburn.com](http://www.jettblackburn.com) or give us a call at 541-573-7206**

**Wash those hands and give us a call. We welcome the opportunity to be of assistance!**
